

# LEAH AND CHRIS: THE WEDDING!

## DRIVING DIRECTIONS

1. However you need to do so, get on the Mass Pike West (I-90) and keep heading West.
2. Pass into New York. Turn to the person next to you and say, "Wait, I thought this was in Massachusetts?"
3. Have faith and keep driving, then take Exit B-3 (Berkshire Spur section). Pay a toll if you owe one.
4. Take Route 22 North to Route 43 East (which will become Rte 43 North once you pass back into Massachusetts, but the name doesn't change, so it shouldn't be too difficult). Comment on the beautiful foliage as you go four miles on Route 43.
5. Turn right on Brodie Mountain Road.
6. Watch for Jiminy Peak on your right hand side. When you see it, turn in to the lot near John Harvard's Brew Pub (at the Country Inn) and celebrate that you made it successfully.
